This approach sounds good to me.

Concerning Barbara, she is part of this group to the extent that she has the time.

Hello mine scenario development group.

First a couple of details - Patty, I was told this week that you are still working with us and are on this subgroup, so you are included here.

Barb, I was not clear after our meeting if you are part of this group. Glenn, is Barb part of this group?

# Ex. 5 - Deliberative

It is my feeling that the most efficient way to get this task done is for all of us to meet in a room for a week with pen and paper. That would mean most of us traveling to Seattle, DC or Cincinnati. A trip to Anchorage seems out of the question, much less to Soldotna.

Alternately we could do this by phone or video, but I strongly feel that we need to get together. It is my understanding that the Cincinnati folks will have a hard time with travel funds, so perhaps we should go there.

Finally, we should do this soon.

If it was not late on a beautifully sunny Friday with salmon running in the Kenai River I would send a draft agenda. But that will have to wait till Monday.

What do you all think so far?

Phil
